CLASS ATTENDANCE AND ABSENCES

Academic

Nothing is more important to success in college than regularity of class attendance. When one enrolls in a course, he assumes the responsibility for attending all class meetings, completing all assignments, and otherwise satisfying the requirements of that course. Realizing that from time to time there may be just

cause of absence, the College has established the policy outlined below.

It should be noted here that nothing in the policy as stated or implied alters the fact that common courtesy requires the student to discuss the impending absence with the instructor before it occurs, whenever possible, and immediately after returning to class in emergencies. The student is still responsible for all work missed regardless of the reason for absence.

The College recognizes four types of absences from class: official, illness, free, and restricted. These are defined as follows:

A. Official absences are those incurred when students miss class while officially representing the College. Illustrations include but are not limited to, athletic contests, band trips, field trips, and workshops. The college sponsor of the group supplies a list to the Office of the Dean of Admissions and Records of the students officially absent. Instructors are notified by that office before the next regularly scheduled meeting of these students.

B. Illness absences will be classified in one of the three categories listed below.

1. Confinement by the college nurse either in the clinic or in the dormitory. Students will receive written permission from the nurse to miss class only when she deems the illness serious enough to warrant confinement.
2. Confinement in hospital or home under a doctor's care. A statement must be brought to the instructors signed by the attending doctor.
3. Death in the family when certified in writing.

NOTE: Only these three provisions require a written statement to the instructor. These statements must be presented first to the Dean of Admissions and Records and then to each instructor whose class was missed within seven calendar days after the absence occurs or the

absence will be counted against the free or restricted absence as listed in sections C and D below.

- C. Allowable absences should be used for minor illness, dental appointments, visits to other colleges, transacting personal business, missing rides, and all other reasons not specifically covered in sections A and B above.
- D. Restricted absences may occur after the free absences have been used. Each restricted absence will result in a two-point deduction from the final grade in the course.
- E. Any student reporting to class after roll has been checked will receive a tardy. Three tardies will result in a student being counted absent from class and will be recorded as such.

NOTE: Total absences (A - E above) must not exceed 20% of the time a class meets. Examples: In a course meeting one time per week an "F" will be recorded with the fourth absence. In a course meeting two times per week an "F" will be recorded with the seventh absence. In a course meeting three times per week an "F" will be recorded with the 11th absence. In a course meeting four times per week an "F" will be recorded with the 14th absence. In a course meeting five times per week an "F" will be recorded with the 18th absence.

Students who, because of extenuating circumstances miss more than 20% of the time a class meets per semester, have an option of asking the absentee appeals committee to consider their individual situation.

Vocational

- A. Class rolls are to be checked at the beginning of each class, laboratory or related studies session.
- B. Students not present at roll check but reporting within 15 minutes will receive a tardy. Those reporting later than 15 minutes after roll check will be marked absent for 1/2 day.

C. A student may receive two tardies in the same half day but will not be charged more than 1/2 day absence in any half day.

D. Three tardies will count as one day absence. One or two tardies will not penalize a student until he receives the third tardy.

E. Any student leaving a class early will be subject to the same penalty in reverse. (Less than 15 minutes will be counted as a tardy and over 15 minutes as 1/2 day absence.)

F. A vocational student will be allowed to accumulate five (5) absences in a regular semester or three (3) days during the summer term in addition to the allowable official absences. When a student exceeds five (5) days absence they must make an appointment to meet with the Absentee Appeals Committee (appointment to be made with vocational counselor) before attending further classes.

G. The Committee will include the student's instructor, the counselor, and one administrator. This Committee may authorize non-official absences up to a maximum of nine (9) days during a regular semester or five (5) days during the summer term. The Committee may terminate a student with six (6) or more non-official absences at its discretion.

ACADEMIC PROBATION AND SUSPENSION

A student who fails to pass nine semester hours and to earn 18 quality points during a regular semester will be placed on probation until the academic record meets this minimum standard. If the minimum requirements are not met for two consecutive semesters, the student will be suspended for one regular semester. If the suspension occurs at the conclusion of the spring semester, it may be removed by attending summer school and improving the record to the stated minimum.

COURSE CHANGE

A student desiring a course change will initiate the change with the academic or vocational counselor. The instructor's approval must be secured. The change will be submitted to the Dean of Admissions and Records.

TRANSCRIPTS

It is the policy of this institution to furnish to each graduate of East Central Junior College upon written request one free transcript of his/her credits earned here. If a request for a transcript occurs during the period a student is attending the College, a charge of \$1 is made. All other transcripts are \$2 each.

STUDENT REGULATIONS

A. East Central Junior College takes great pride in the appearance of its campus; therefore, we ask that students put trash and soft drink cans in the trash cans that are conveniently located throughout the campus. The Student Center and the dormitory lobbies are for students' leisure time and enjoyment; therefore, students are asked to assist in keeping them clean.

B. Possession and/or drinking of alcoholic beverages, narcotics, gambling, stealing, fighting, possession of firearms, and insubordination are all just causes for dismissal. Any student participating in these events may be requested to appear before the Discipline Committee.

C. Smoking is prohibited in all buildings except the student center and dormitories.

D. In case of illness a student should notify the college nurse at once so that arrangements can be made for necessary medical attention and so that any absence from class can be excused by the nurse. In case of serious illness a physician will be called

and parents will be notified. Students will be responsible for their own medical bills. In case of illness at night, the Dormitory Supervisor should be contacted.

E. The College will assume no responsibility for loss of personal property due to theft, fire, or natural disaster.

F. All students will be issued an identification and activity card during registration. This card will be used for identification purposes and as an activity card for activities held on campus. It is non-transferable, and in case of loss, it will be necessary to contact the Dean of Students for a duplicate. Students will be required to surrender their ID card when asked to by a faculty member, administrator, or security. The person taking the ID card will present it, along with a written statement of the violation, to the Dean of Students.

G. Students who plan to have a vehicle on campus must register it and obtain a parking permit from the Dean of Students. The student must complete a registration form and pay the \$3 fee. All parking permits must be placed on the right rear bumper of the vehicle. A penalty fee will be charged for anyone not buying a parking permit or anyone parking in a no parking zone.

H. There is a 15 mile per hour speed limit for all vehicles on campus.

I. The College has provided adequate parking places on the campus. The College would like to ask students to observe "No Parking" signs. All parking should be done with fellow students in mind, being careful not to double park, block cars, passageways, freight trucks, etc.

J. All students and cars returning to campus after 2:00 a.m. are subject to being stopped and the

students are subject to having their ID cards picked up.

L. Loud music and undue noise will not be permitted on campus.

DORMITORY REGULATIONS

A. When a student enrolls in school, he/she agrees to accept the policies that govern dormitory life. The failure to observe these policies and regulations subjects the student to disciplinary action. The decision in this matter is the responsibility of those in charge of the dormitories. Any failure to respond to disciplinary action makes the student ineligible to live in the dormitory.

B. Overnight visitors in the dormitory must be approved and registered by the Dormitory Supervisor or the Director of Housing. All visitors are expected to comply with the rules of the institution.

C. Dormitory students are held responsible for their room, hallway, or bathroom and will be assessed for any damage done. There will be a systematic room inspection each week of all dormitories, at which time rooms must be clean, neat and attractive. Furniture is inventoried for each room and lobby and must not be removed from these areas. Students will not be permitted to move additional furniture to the dormitory without permission of the Dormitory Supervisor.

D. Students dropping below 12 semester hours will be required to move from the dormitory.

E. Students are requested to have consideration of fellow students when playing radios, tape players, and televisions.

The complaints should be written and should be delivered either personally or by mail.

Upon receipt of a complaint, the Dean of Students will schedule a hearing within ten (10) days. Either the complainant or the Dean of Students may request that a student committee hear the case initially or either may request a student-faculty committee hearing after the Dean of Students has heard the case.

If the student-faculty committee hearing is unsatisfactory, the complainant may appeal immediately to the President of the College who will schedule a hearing within 10 days of the appeal.

The President's ruling may be appealed to the Board of Trustees of the College at any regular meeting provided ten (10) days notice has been given to the President so that the hearing can be scheduled on the Board's agenda.

The above four (4) steps would exhaust full recourse available in the College.

FINANCIAL AID

FINANCIAL AID PROGRAMS

Pell Grant

This federal program is designed to provide financial assistance to students on the basis of need. Any eligible student may receive a Pell Grant. A Pell Grant is not a loan; therefore, it does not have to be paid back.

Supplemental Educational Opportunity Grant (SEOG)

This federal program is designed to assist students who would be unable to obtain an education without the grant and is available to a limited number of students of exceptional financial need. Because it is a grant, it does not have to be paid back.

Work-Study

East Central Junior College participates in two types of work-study -- federal work-study and institutional work-study. Students are awarded jobs based on need and academic ability. This program gives students a chance to earn money to help pay their educational expenses.

Guaranteed Student Loan

A guaranteed student loan is a low-interest loan made to the student by a lender such as a bank, credit union, or savings and loan association to help with educational expenses. The federal government will pay the interest while the student is in school.

Plus Loan

PLUS loans provide additional funds to students for educational expenses. Like guaranteed student loans, these loans are made by a lender.

Scholarships

East Central Junior College offers various scholarships to eligible students.

ACT scholarships - The ACT Scholarships listed below will be available to any Mississippi resident who enrolls full-time at East Central Junior College the fall semester following high school graduation. The ACT Scholarship will be available to the student for four (4) consecutive semesters provided that the student maintains a 3.0 grade point average each semester. Any student who does not maintain a 3.0 semester grade point average will be removed from scholarship until the student attains a 3.0 semester grade point average in a subsequent semester provided the student has not used all four (4) semesters of eligibility.

ACT Scholarship (18-22) - A scholarship in the amount of \$100 will be awarded each semester to the eligible student.

ACT Scholarship (23-25) - A scholarship in the amount of \$200 will be awarded each semester to the eligible student.

In case of a tie, East Central Junior College will award a scholarship to both students. The scholarship will be available to the student(s) for two (2) semesters. See Financial Aid Policies for further requirements.

W. R. Covington Scholarship - This scholarship was established in 1985 by Dr. Eddie M. Smith, President of East Central Junior College, in recognition of the support and assistance Mr. W. R. Covington of Noxapater, MS, has provided for many students to aid them in attending college and personally for his encouragement and financial support of Dr. Smith when he was a student at East Central Junior College.

This scholarship is awarded to a graduate of Noxapater High School in the amount of \$150 a year for attendance at East Central. One-half of the scholarship will be awarded each semester.

FINANCIAL AID POLICIES

Federal Programs

In order to be eligible to receive financial aid at East Central Junior College, students are expected to maintain satisfactory progress toward their certificate or degree objective in the academic, technical, or vocational programs. Satisfactory progress for all Title IV aid (Pell, SEOG, Federal Work-Study, GSL, and PLUS) for the various programs for full-time students are

listed below. The required number of hours to be completed will be reduced proportionately for part-time students. At the end of the time frame allowed for the completion of a program, students will not be eligible to receive financial aid regardless of their grade point average or cumulative hours earned.

The time frame for the number of hours to be completed and the grade point average required is as follows:

At the end of this semester	1	2	3	4	5	6
A student must have accumulated at least this many hours	9	18	28	40	52	64
With at least a cumulative grade point average of	1.0	1.5	1.75	2.0	2.0	2.0

A student who does not meet these standards will be placed on financial aid probation for a semester. During the probationary semester, a student will continue to be eligible for financial aid. Upon completion of the probationary semester, a student who does not meet the satisfactory progress standards will be eligible to receive financial aid and will remain ineligible until the standards are achieved.

A student's entire record at East Central Junior College will be evaluated to determine eligibility for financial aid regardless of whether or not the student has received aid for all semesters.

Upon enrolling at East Central, a transfer student will be considered to be maintaining satisfactory progress and will therefore be allowed to receive financial aid for one semester without the transfer credits being considered. At the end of that semester the transfer student's entire record, including not only the credits earned at East Central but also the accepted transfer credits from the previous institution, will be evaluated to determine if the student is maintaining satisfactory progress in the program being pursued by the student.

Developmental courses will be treated in the same manner as regular courses since students receive institutional credit and grades for these courses.

The procedures for determining satisfactory progress as related to incomplete grades, withdrawing from a course, or repeating a course will be the same as those procedures followed by the Admission and Records Office. Students may obtain additional information about these procedures from the Admission and Records Office or the Financial Aid Office.

Students who wish to appeal the decisions and financial aid awards made by the Financial Aid Office should submit a written request for an appeal to the Director of the Financial Aid Office. The written request should include any information relative to the case. The appeal will be reviewed by the Financial Aid Appeal Committee. The student will be notified in writing of the committee's decision.

Institutional Programs

A student receiving institutional financial aid in the form of an athletic scholarship, band scholarship, cheerleader scholarship, or institutional work-study must pass nine (9) semester hours and earn eighteen (18) quality points during a semester. If a student does not meet this standard at the end of a semester, the student will be placed on probation for a semester. During the probationary semester, the student will be eligible to receive the institutional financial aid. Upon completion of the probationary semester, a student who does not meet the standard will be ineligible to receive the institutional financial aid. This policy coincides with the academic probation and suspension policy of the college; therefore, when suspended students become eligible to return to college, they shall also be eligible to receive institutional financial assistance.

To retain an ACT, salutatorian, or valedictorian scholarship, a student must maintain a B (3.0) average each semester. Any student who does not maintain a B (3.0) average and is removed from scholarship, can get back on

scholarship by having a B (3.0) average the following semester provided the scholarship is for four (4) semesters.

A student who is offered an ACT scholarship and either a salutatorian scholarship or a valedictorian scholarship will be permitted to accept only one of the scholarships.

Total financial aid in scholarships from East Central Junior College for dormitory and commuter students may not exceed the published cost of matriculation fee, room and board. Each student must pay the registration fee each semester (scholarship can not cover this fee).

Total financial aid awards for a student which includes Title IV aid and institutionally funded aid may not exceed the campus-based budget or the student's need as determined by ACT's Comprehensive Financial Aid Report.
